## From the Principal

Principal Kate Rayment

### Prayer

As we pray let us listen with the ear of the heart.

Loving God, we pray for your love and compassion to abound as we walk through these challenging times.

We ask for wisdom for those who bear the load of making decisions with widespread consequences.

We pray for those who are suffering with sickness and all who are caring for them.

We ask for protection for the elderly and vulnerable to not succumb to the risks of the virus.

We pray for misinformation to be curbed so that fear may take no hold in hearts and minds.

May we also approach each day in faith and peace guided by your spirit.

**Amen.**

**St Scholastica and St Benedict,  
Pray for us.**

### COVID-19 Update

A letter was emailed last week outlining tightened restrictions for schools in response to efforts to curb community transmission of COVID-19. The restrictions remind us to maintain vigilance in managing personal hygiene and adhering to social distancing requirements. The revised restrictions include tighter limits on gatherings and visitors to the College. Please avoid entering the grounds and contact the office if there is a serious need to attend the site. We will keep you updated about events as they approach.

For anyone who missed the Sydney Morning Herald article featuring our girls this week, please find it on the following link:

### Building Works Update

Excavation and building work ceased during the Trial HSC exam period but will recommence next week. The ground works are almost complete, in preparation for the storm water management, construction and landscaping. The work in the Technology area is expected to be completed next month. The new change rooms and Fitness Centre should also be ready for the commencement of Term 4. Fitting of flues and air-conditioning units to the Science laboratories is almost complete.

### Student work

During the last fortnight, a number of achievements have been recognised. I was thrilled to witness Year 9 student, **Marina Seet**, performing a Pipa piece last week. This is the first time I have ever seen a student perform with a Pipa at Schols. The standard of her technical skill and musicianship is excellent.

**Rose Mitchell** won the Red Room Poetry Object Competition – go to page 7 to read her poem.

**Mrs Kate Rayment**

## Boarding School

As I write this, I am very mindful of the Year 12 girls who continue to focus on completing their Trial Examinations. These girls are working incredibly hard towards their studies, and I commend them for their decision to continue to move forward, as they have embraced and accepted the year of change and uncertainty. The Boarding community will certainly be celebrating the achievements of the Year 12 boarders on September 7, with a special dinner in the dining room of the Boarding school. I look forward to sharing photos and feedback from this celebration with you, in the next report.

In this issue and future ones, I would like to take the opportunity to introduce you to the staff who work in the Boarding school. **Helen French**→ who is Deputy Head of Boarding, is very well-known to most families within the Boarding community. Helen has worked at the College since 2008 and has a very detailed and insightful understanding of the Boarding school. Part of her role is coordinating the weekend sport for the Boarders, and I acknowledge and value the wealth of experience Helen implements into her role as Deputy.

Do not hesitate to contact me if you wish to discuss anything in relation to your daughter/s education or wellbeing.

**Ms Libby Molony**  
Head of Boarding

# Pax Day and Supporting the Good Sam Foundation

Next Friday 4<sup>th</sup> September, the College will be celebrating **Pax Day** as a COVID Safe version of our regular community day. Staff and students will work in Homerooms during the morning learning about the Good Samaritan Education 2020 theme Pax, which is also our school motto. Also, staff and students have been working across previous weeks to bring together a film to share the story of the work of the Good Sam Foundation which supports social housing, emergency accommodation for those fleeing domestic violence, the creative work from the Northern Territory community at Santa Teresa (see page 5) as well as communities in Bacolod in the Philippines and the Kiribati community. Pax Day is our fundraising opportunity for 2020.

All students are encouraged to bring in money for the "Dig Deep Donation". As well, House merchandise (ribbon \$5 and tote bag \$15) can be purchased and ordered on the day as a fundraising activity. Please be aware that only cash donations are possible on the day, collected by staff members in the morning, and orders for the tote bag can only be confirmed on

payment. Thank you for your help encouraging the girls and supporting the work of the Foundation.

The students are invited to wear casual clothes in their House colours, and there are competitions for best dressed in each Homeroom based on their House theme. The Student Leaders created a film for each House, and the House Captains and Mentors had a virtual meeting to work through details of the day with Homerooms.

After the morning activities the students will return to regular classes and will need to have necessary equipment and their own food for the day.

Congratulations to the Student Leadership team who have quickly developed a strong and organised approach to their roles. They have liaised with House Councils and their staff Mentors and hosted House Meetings with the help of technology. They have also generated safe and fun ideas for activities and followed through with careful planning. A wonderful start to their time as leaders.

# 2020/2021 Leadership Induction Program

## New College Co Captains

— Sienna Excell and Sheenah Byrne

*Last week, the newly elected leaders for 2020/2021 participated in a two day Student Leadership Induction Program. Over the course of the two days, we were able to learn much more about the Benedictine values as part of our Good Samaritan tradition and how to draw upon these values and bring them to life, not only in the College community, but in our own personal lives too. It was a time where we were encouraged to reflect upon how we could best serve the community and develop our leadership skills, drawing inspiration from female leaders all over the world and significant religious figures.*

*Although the induction program looked very different to leaders' retreats from previous years, the days were significant and important to us for our first big steps as leaders. We'd like to say thank you to Mr Watson, Ms Petschler, Mr Eussen, Ms Vella and Mrs Rayment, for organising what was a great time of learning and getting to know our new team of Captains. Thank you to Fr Dom for celebrating Mass with us in the Chapel. It was a beautiful part of our time together, and thanks also to Ms Molony and Mr Patterson for staying to provide the beautiful music. That was a real gift.*

*We are also very grateful for the time we spent with Sister Meg Kahler, who helped us further and enhance our knowledge of the Good Samaritan tradition, and the lives and legacies of the Sisters, and the place of our College community within their history. As a group, the program was integral to developing the bond between us, allowing us to get to know each other and build relationships to support our teamwork, cooperation and communication skills, which will be essential in the year to come as we take on our roles within our respective leadership positions.*

## Mission

Stand in solidarity with the Santa Teresa community on Friday 28th August! Students and staff were encouraged to wear a scarf at school to support this ministry of the Good Samaritan Foundation.

Santa Teresa is a remote indigenous community located 85KM east of Alice Springs on the edge of the Simpson Desert.

**A \$2 contribution for Santa Teresa will be collected on Pax Day (4<sup>th</sup> of September 2020)**

**Ms Robyn Julian**

Assistant Science Coordinator

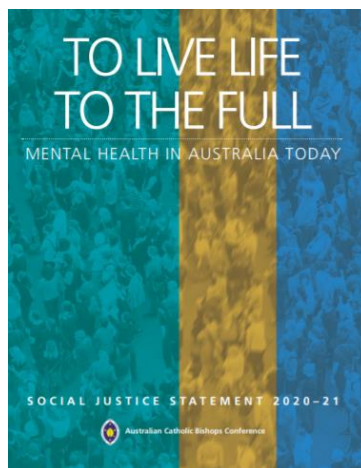

## Social Justice Sunday

The celebration of Social Justice Sunday is a long tradition in the Catholic Church in Australia. Since 1940 our bishops have joined together to issue an annual major social justice statement. It is hoped that these statements will inspire reflection and action throughout the year.

The COVID-19 pandemic is impacting the mental health of many members of our communities. This year's Statement, ***To Live Life to the Full: Mental health in Australia today*** addresses mental health.

The Bishops welcome the deinstitutionalisation of mental health care in Australia recognising the gap in the system through which members of the community fall. The statement calls attention to the need for sufficient funding and the social disadvantage including poverty, living conditions, and personal security, as significant contributors to mental ill-health. It highlights the experience of First Nations people and communities, asylum seekers and refugees, people who are homeless and those who are in prison.

The Bishops observe that *'our society tends to draw away from, or to push away, those who confront us with our frailties and limitations'* which is *'completely at odds with the story of Jesus' who 'takes on the frailty of the human condition.'* The Bishops invite us to work for the transformation of the care for those living with mental ill-health.

To read the full statement click on the PDF:

Social-Justice-State  
ment-2020-WEB.pdf

*God of wisdom, the source of human dignity,  
pour out on us the spirit of love and compassion.  
Enable us to reverence each person and to reach out  
to anyone in need.  
We ask this through Christ our Lord.  
Amen.*

## Year 9 Textiles Class

### Face Masks by Taryn Ikimau

*Year 9 Textiles have been busy making face protection masks to raise funds for the St Vincent's de Paul COVID appeal. Though it was challenging trying to figure out how each piece went together, it was worth it in the end when we had masks to donate and sell as a fundraiser. This project taught us how to work together as a team and how to apply our Textiles skills that we have learnt in class. We are so glad to have been given the opportunity to improve our sewing, while working on something for our College community. We hope everyone likes the masks.*

## Year 10 Poetry

### The Red Room Poetry Object Competition

Recently **Rose Mitchell** from Year 10 entered the Red Room Poetry Object Competition and was shortlisted. Rose had to write about an object that was meaningful to her. Rose wrote about a pair of binoculars after going whale watching in the holidays.

Well done Rose on crafting a piece of poetry that is beautifully evocative.

Below is Rose's poem, *Binoculars*.

*My eyes belong to the ocean  
To the infinite plateau of blue  
Where whales bathe barnacled bellies in the sun  
And break tails on soft waves of sea.  
Beneath cloudless skies, endless summer days  
That is where my eyes belong.  
I remember sunsets  
Staring from the sand  
As sky and sea caught flame,  
Burned and turned to ash.  
I remember sequinned skies  
The unblinking cataract of the moon  
That carved its milky path in the sea  
As white as winter breath.  
Behind the thick foliage of hanging clothes  
In a cupboard untouched, I wait like a hidden thing:  
A whale beneath a wave, a star beneath a sunset cloud  
A moon beneath mist.  
But with eyes tightly closed, I return in a dream  
To the land's edge, to the sky, to the flexing muscle of the sea  
Where my eyes yearn, ache, long to be.*

## Visual Arts News

We are well into Semester 2 and our Visual Arts and Photographic and Digital Media classes have just completed assessment tasks in Critical and Historical Studies and are busy working on Artmaking projects. Covid-19 has forced some changes to Visual Arts programs this year. In Semester 1 we modified tasks so that they could be completed at home with minimal specialised equipment. This Semester we wrote programs that asked students to consider life as they know it: Year 9 Visual Arts students are looking at "Family Life", Year 9 Photomedia students are looking at "A Day in the Life of St Scholastica's College" and the Year 11 classes are responding to the theme of being "Stuck at Home" in thoughtful and creative ways.

Our Year 11 students are very talented indeed! Congratulations to **Lucinda Cotter, Emma Davies and Elana Pfitzner**, who have been accepted into the **National Art School HSC Intensive Program**. The purpose of this course is to provide an opportunity for Year 11 students in Visual Arts. During the NAS HSC Intensive Studio Practice the students will work within a specialised discipline using a broad range of media and art making processes, refine their ability to interpret and evaluate their own and others' artworks, engage in sustained critical reflection and evaluation and gain practical skills in preparing for, mounting and curating an exhibition. The program, which for this year, will run in the September and January school holidays, will provide an invaluable opportunity for these students to develop and extend their artmaking practice and will set them up very well for their 2021 HSC.

Our Year 12 students are putting the finishing touches on their HSC Body of Work and preparing for an exhibition of their pieces. Stay tuned for more details.
